TECHNICAL FORMULA

The formula of the Competition provides for the division of the participants into 3 large groups (TOP ATHLETES, ATHLETES 1 LEVEL, ATHLETES 2 LEVEL) in turn divided into subgroups by number and gender.

The Top Athletes will start singly on one of the two available scales with a gap of 30 seconds from the previous one.

The 1 level athletes will start individually on one of the two available scales with a gap of 20 seconds from the previous one.

The 2 level athletes will start in groups of 3 people, slightly spaced, with a gap from the previous group of 30 seconds.

The order of departure will be communicated a few days before the Event, together with the communication of the bib number.

Each competitor will use one of the two identical scales that will be indicated. Time will be timed and recorded "real time" starting from the first step of each staircase, to end on the 49th floor. The timing is with microchip by OTC SRL.
